About Your Mentor, Anne

I have been **coaching since 2003**, and in 2021, I **achieved a dream** by launching my 20-hour ICF CCE program called [CCEase](#). In 2020-21, I worked with fellow **ICF Ethics Education Team volunteers** to update the 3-hour CCE course to reflect the newest [ICF Code of Ethics](#). 2018—2021, I was the **ICF Metro DC Chapter's Group Mentor Coach**, offering monthly CCE and group mentoring for ACCs and PCCs. Since 2014, I have been an **ICF Core Competency trainer**, teaching and providing feedback on live coaching. Perhaps **most important to me**, I provide all mentoring and training in a **critique-free environment** that encourages **maximum learning**, willingness to risk in a **safe space**, and focused on the **joy and love of coaching** that brought us all here in the first place!

Mentoring Clients' Testimonials

"If you want to be a better coach, you need Anne Kelly! Anne is a superb mentor coach who has just the right touch. Her approach is based upon learning in a safe environment, and establishes trust early. From there, she challenged me to really examine my approach and invited me to dig deep. There is no doubt, I am a better coach after her mentorship—and I am having more fun. Anne is a winner!"

Anthony Stamilio, PCC, First Step Coaching & Consulting, LLC

~~~~~

*"Anne was able to **answer all the questions I came with on ACC renewal** resources AND was able to provide additional information and resources. It was really helpful to be able to talk through the process and requirements with someone so knowledgeable to ensure I was on the right track. The whole process was very easy."*

Teresa, ACC, Credentialing Conversation

~~~~~

*"CCEase was a wonderful experience. Although I signed up as a **"PCC exam prep" class**, what I got was so much more. My favorite part was the improv -- to really make coaching presence vivid and focused -- but I learned something important in every class. And I really enjoyed the additional peer conversations. The three of us really hit it off well and are now part of each's coaching support network. So thank you for providing such a rich and fulfilling experience."*

Joseph A. Levitt, ACC, CCEase graduate

~~~~~

*"Anne is really understanding, knowledgeable, and willing to help. I have **felt supported through the whole process**. She has a way of breaking down a large process into manageable steps so that instead of feeling daunted, I felt encouraged to keep growing as a coach."*

Bonnie Graham, Heartfelt Navigation, Drop-in Group Mentoring

~~~~~

*"This is a really valuable program to help you **refresh your knowledge of the ICF competency** details and expected behaviors to take your coaching to the next level. The course helped highlight areas where I think I'm doing well and where I can **take things up a notch**."*

Deb Becker, PCC, CCEase graduate

~~~~~

*"I really enjoyed the perspective of what was important to have or not have in the **recording that is to be submitted to ICF**."*

David Pacheco, CCEase graduate
